

## 2017 SJTU Undergraduate Programs & Test Subjects

School	Major	Specialty	Test Subject	Teaching Language
School of Humanities	Chinese	Chinese Language and Culture	Liberal Arts: Chinese, English, Math <b>(English and Math scores will not be included in the total score, but will be reckoned in the scholarship evaluation.)</b>	Chinese
		Business Chinese		
		Financial Chinese		
	*Chinese (International Bilingual in both English and Chinese)	Liberal Arts: Chinese, English, Math Science: Chinese, English, Math, choose 2 subjects from Physics, Chemistry and Biology		Chinese
Chinese (Transferring for second year)		≥HSK5 (230 scores) ; Have been studying Chinese language in one of Chinese universities for more than one year	Chinese	
	*Chinese Language and Literature		Liberal Arts: Chinese, English, Math Science: Chinese, English, Math, choose 2 subjects from Physics, Chemistry and Biology	Chinese
School of International and Public Affairs	*Public Management	Administration Management	Liberal Arts: Chinese, English, Math Science: Chinese, English, Math, choose 2 subjects from Physics, Chemistry and Biology	Chinese
School of Media and Design	*Communication		Liberal Arts: Chinese, English, Math Science: Chinese, English, Math, Chemistry , Biology	Chinese
	*Radio & Television Editing and Directing		Liberal Arts: Chinese, English, Math Science: Chinese, English, Math, Physics, Biology	Chinese
	*Public Utilities Management		Liberal Arts: Chinese, English, Math Science: Chinese, English, Math, Physics, Biology	Chinese
	* Visual Communication Design (Basic education of arts is required)		Liberal Arts: Chinese, English, Math	Chinese
	Industry Design		Science: Chinese, English, Math, Physics, Biology	Chinese
School of Foreign Languages	*English		Liberal Arts: Chinese, English, Math	Chinese
	*Japanese		Science: Chinese, English, Math, choose 2 subjects from Physics, Chemistry and Biology	Chinese
	*German			Chinese
Antai College of Economics & Management	Business Administration	Business Administration	Liberal Arts: Chinese, English, Math Science: Chinese, English, Math, choose 2 subjects from Physics, Chemistry and Biology	Chinese
		Accounting		
	Economics	Economics		
		International Economy and Trade		
		Finance		Chinese
KoGuan Law School	*Law		Liberal Arts: Chinese, English, Math	Chinese

			Science: Chinese, English, Math, choose 2 subjects from Physics, Chemistry and Biology	
<b>School of Naval Architecture, Ocean and Civil Engineering</b>	Ocean Engineering	Naval Architecture and Ocean Engineering	Science: Chinese, English, Math, Physics, Chemistry	Chinese
		Transportation		
	Civil Engineering	Civil Engineering	Science: Chinese, English, Math, Physics, Chemistry	
Engineering Mechanics				
	Architecture (5 years/Basic education of arts is required)		Science: Chinese, English, Math, Physics, Chemistry	Chinese
<b>School of Mechanical Engineering</b>	Mechanical	Mechanical Engineering	Science: Chinese, English, Math, Physics, Chemistry	Chinese
		Industry Engineering		
		Energy and Power Engineering		
		New Energy Science and Technology		
<b>School of Materials Science and Engineering</b>	Materials Science and Engineering		Science: Chinese, English, Math, Physics, Chemistry	Chinese
<b>School of Electronic, Information and Electrical Engineering</b>	Electronic Information	Automation	Science: Chinese, English, Math, Physics, Chemistry	Chinese
		Computer Science and Technology		
		Electronic Science and Technology		
		Information Engineering		
		Measuring & Control Technology and Instruments		
		Electric Power Engineering & Automation		
		Software Engineering		
		Microelectronics Science and Engineering		
<b>School of Mathematical Science</b>	Mathematics and Applied Mathematics		Science: Chinese, English, Math, Physics, Chemistry	Chinese
<b>Department of Physics &amp;</b>	Physics	Physics	Science: Chinese, English, Math, Physics, Chemistry	Chinese

<b>Astronomy</b>		Applied Physics		
<b>School of Chemistry and Chemical Engineering</b>	Chemistry	Chemistry	Science: Chinese, English, Math, Physics, Chemistry	Chinese
		Chemistry Engineering and Technology		
<b>School of Life Science and Biotechnology</b>	Biological Technology	Biological Technology	Science: Chinese, English, Math, Biology, Chemistry	Chinese
		Biological Engineering		
<b>School of Biomedical Engineering</b>	Biomedical Engineering		Science: Chinese, English, Math, Physics, Biology/ Chemistry	Chinese
<b>School of Agriculture and Biology</b>	Nature Conservation & Environmental Ecology	Landscape & Gardening	Science: Chinese, English, Math, Biology, Chemistry	Chinese
		Science of Resource and Environment		
		Food Science and Engineering		
		Animal Biotechnology		
		Plant Biotechnology		
<b>School of Pharmacy</b>	Pharmacy		Science: Chinese, English, Math, Biology, Chemistry	Chinese
<b>School of Environmental Science and Engineering</b>	Environmental Science and Engineering		Science: Chinese, English, Math, Biology, Chemistry	Chinese
<b>School of Aeronautics and Astronautics</b>	Aerospace, Astronautical Engineering		Science: Chinese, English, Math, Physics, Chemistry	Chinese
<b>School of Medicine</b>	Clinical Medicine (5 years)		Directly contact School of Medicine liuxue@shsmu.edu.cn	Chinese
	Stomatology (5 years)			
<b>SJTU-ParisTech Elite Institute of Technology</b>	Mechanical Engineering & Automation		Directly contact SJTU-ParisTech Elite Institute of Technology qiq@sjtu.edu.cn	French
	Information Engineering			
	Thermal Energy & Power Engineering			
<b>SJTU-UM Joint Institute</b>	Electrical and Computer Engineering		Directly contact SJTU-UM Joint Institute yu.zhang@sjtu.edu.cn	English
	Mechanical Engineering			
Note: For programs marked with *, Mathematics score will not be included in the total score, but will be reckoned in the scholarship evaluation.
