About ACEM and MIB Program

As the first China-based business school triply accredited by EQUIS, AMBA and AACSB, Antai College of Economics and Management (ACEM) is one of the best business schools in China and even in the world. According to 2016 Financial Times worldwide rankings, ACEM's Master in Management ranked 33 and among the world top 50 for seven consecutive years. MBA program ranked 39. EMBA program became the world top 7, and ranked No. 1 in Asia.

Master of International Business (MIB) intends to create a community of diverse cultures, and aims to train and develop talented students to have a comprehensive understanding of global business and a deep insight into Chinese dynamic business environment as well as knowledge about Chinese history, culture, law, and policy.

MIB is a 2-year English program tailored for international students. Since its launching in 2013, MIB program has developed into one of the biggest and best similar programs in China. In the first academic year, MIB students will focus on the well designed courses and have a field study. In the second academic year, MIB students can also have internships, join international exchange programs, and culture experience.
