

2018 Shanghai Jiao Tong University

Pre-University Program for International Students

I Objective

2018 Pre-University Program of Shanghai Jiao Tong University (abbreviated as SJTU) is designed for international students. In this program, international students can enhance their language skills, academic performance, and cultural adaptability as needed, and thus lay a solid foundation for their further undergraduate study.

Pre-University Program A and Pre-University Program B are staged respectively.

Program A: This program is designed for students who have already reached a good level of Chinese language proficiency (HSK 4 \geq 180 or equivalent) but need remediation of academic subjects of Chinese, English and Mathematics. The students of Program A can apply for all the undergraduate programs that are open to international students.

Program B: This program is suitable for students who do not possess any Chinese language skills but have met the requirements of other academic courses of SJTU undergraduate admissions. Students will be given an intensive training of Chinese language and will be encouraged to take some elective courses of academic subjects. The students of Program B can also apply for all the undergraduate programs that are open to international students.

II Eligibility

1. Healthy, non-Chinese citizens, foreign passport holders with senior high school diploma (or above)
2. For applicants of Mainland China, Hong Kong, Macau and Taiwan who have immigrated to other countries, SJTU implements relevant administrative rules and regulations on international students issued by the Ministry of Education of the PRC

III Curriculum

Program A:

This pre-university program provided by SJTU is an international-student-oriented educational program in which the tailor-made and intensive study is implemented systematically.
