Shanghai Advanced Institute of Finance (SAIF) was established within Shanghai Jiao Tong University (SJTU) in April 2009, with strategic and financial support from the Shanghai Municipal Government. SAIF is AACSB accredited and is recognized internationally as one of the top business schools in the world. The Master of Finance (MF) program has been the flagship program at SAIF since its inception in the Autumn of 2009. SAIF’s MF program was ranked No.1 in Asia and No.10 globally by the Financial Times in 2018. Currently, SAIF MF stands as one of the most prestigious finance programs in Asia. Building on the success of our current MF program, SAIF is launching a new track — the MF-FinTech Program. In addition to core courses in finance, MF-FinTech emphasizes rigorous training in statistics & machine learning, computer skills & applications.
