

Notice on Semester Registration of Graduate Students for 2021-2022 Spring Semester

Respective schools, dear international graduate students,

According to the “SJTU Notice on the winter holiday arrangement of 2022”, the semester registration of graduate students for 2021-2022 spring semester is hereby notified as follows:

1. Date & time for semester registration

Time: 12:00, Feb 10th -24:00, Feb 13th, 2022.

2. Venue

The registration should be performed online via 交我办 App. For students in China, please complete your registration on SJTU campus. In case the online registration cannot proceed, please contact the graduate coordinator of your school or go to the graduate office of your school to complete the registration within the prescribed time period.

3. Graduate Courses

The graduate courses will start from Feb 14th, 2022. Please check your course schedule for details. For Medical School students, please follow the Medical School’s arrangement.

4. Registration requirement

All the graduate students should complete the registration within the prescribed time period. For those students who have completed their thesis filing and will graduate in March, 2022, can be exempted from the semester registration.

5. Tuitions and fees payment

1) For those who need to pay the tuitions and/or other fees, please make the payment before the registration.

2) Online payment website: <http://apply.sjtu.edu.cn>.

6. Graduation deferment

Students who are expected to graduate on March 31st, 2022 could be exempted from the semester registration. While those who cannot graduate on schedule should apply to extend their study duration at My SJTU (<http://my.sjtu.edu.cn>) first and then proceed with the registration.

7. Suspension and resumption of schooling

Student whose current status is “suspension of schooling” does not need to register. The students who need resume schooling after suspension shall go through the resumption of schooling procedure at My SJTU (<http://my.sjtu.edu.cn>) (Postgraduate-Resume Schooling Application) first, and then proceed with the semester registration.

8. Requirement on COVID-19 countermeasures

In view of the current situation on COVID-19 pandemic, and according to the requirements of the Ministry of Education, Shanghai Municipal, the following rules should be observed:

1) All students are requested to carry out self-health monitoring 14 days before returning.

2) For students who are not on campus currently, please contact your counsellor on the possible arrangements. Students in medium/high risk regions are requested not to return the campus.

Students who fail to complete the semester registration on time will be handled according to the regulations of academic management regulations.
