

Tips on accommodation registration for international students upon arrival

Dear International Students:

According to Article 39, Paragraph 2 of *Exit and Entry Administration Law of the People's Republic of China*, for foreigners who reside or stay in domiciles other than hotels, they or the persons who accommodate them shall, within 24 hours after the foreigners' arrival, go through the registration formalities with the public security organs in the places of residence.

As the Shanghai self-declaration system for foreigners' accommodation is currently under maintenance, if you choose to rent off-campus, please go to the police station or community affairs acceptance service center in your area of residence as soon as possible to complete "Registration of Temporary Accommodation for Overseas Persons" and fill in "Registration of Off-Campus Accommodation for International Students of Shanghai Jiao Tong University".

Thank you for your understanding and cooperation!
